Gentlemen,

Your letter of April 30, 2002 suggesting me to call @ (703) 308-1202 that my application is still pending at your OIPE office because of overdue delivery mail.

May I ask you to refer to my letters of 10/19/01 & 01/30/02 ? Evidence proved that US post office took more than two months for delivery my reply mail to your office, this two month delivery period is over the specific time at your request.

If you claim to charge any delay fees to my application, US post office should take this responsibility since the delay was caused by its delivery of mail but not by my reply of mail.

Would you please check status of my application again to overcome its delay in process ? Enclosed please further find copies of the above evidences.

Looking forward to receiving your reply.

Respectfully,

Henri Duong

Gentlemen,

Your notice of confirmation no: 9556 dated 01/23/02 reached me two days ago.

I am sending your required items with this letter. With an aim to save time for correspondence, I attach an additional sheet for page 3 and ask you to take the one suitable for your use.

Actually, I have already sent the same items on 10/19/01 (its copy of certified mail receipt is enclosed) to your request on 10/09/01.

My above mail of 10/19/01 reached you on 01/10/02. Our local post office took more than two months for delivery a mail, its address is below:

US Postal Service
3750, E. Broad street,
Columbus, OHIO-43213-9997

If you are going to charge any delay fees caused in this affair, I suggest you to write them. It is entirely beyond my control for such a delay. I appreciate your better understanding to my position.

Respectfully,

Henri Duong
